

Global Middas Capital

Global Middas Integrated Agro Processing Cluster

Global Middas proposes to establish processing unit for Ginger , Turmeric, Chillies, Orange, Mango, Dragon Fruit, Passion Fruit, Tamarind, Pineapple , Papaya, Aracanut, Squash , Cabbage, Cauliflower , Banana , Grapefruit, , Maize, Beans ,Pumpkins etc. and there other by-products of local vegetables & fruits and food products available locally.This processing unit will provide fresh juice, jams , pickles etc. and other allied products directly from Farms to consumers, all over India and abroad. The project will be setup in the midst of the Farm having own capacity to produce and feed the market and also having abundant supply all around.

Five Food Processing Units in the Agro-cluster will be set up by the promoter / Project Execution Agency (PEA). The establishment of the food processing units will be executed simultaneously with the basic enabling and core infrastructure. The following units will be set up in the processing cluster:

1. Juice, Jams, Spices, Cereals, Pulses etc processing & packaging in plastic bottles, glass jars (5 ltrs and 10 ltrs), tetra packs and aluminum canes
2. Processing of peel and seeds to get essential oil
3. Ready-to-Eat Food Products (Retort Packaging)
4. Dehydration plant for Onion, Grapes and other fruits and vegetables
5. Ware-House and Cold storage facility for our self and also on contract for other farmers.

Investment Expected about 10 Millions USD, Direct & Indirect employment to be generated 500. For setting up of integrated food park with cold storage , warehousing , food processing unit etc, the land should have commercial or industrial use, land needed upto 50 acres, long term lease of minimum 30 years with expandable for minimum next 30 mortgageable rights transferable rights preferred location is close to farming area or Vegetable & Fruit Markets/Mandis where farm producers can store & utilize warehouses and cold storage for there products with good access to logistics & transport, electricity and water supply availability. Location Preferred

Regards

Sardar Inder Preet Singh
